## WSCTC Transition to Virtual Learning

As you are aware, WSCTC is currently operating under the full virtual mode for all students. We realize this shift in instruction may raise questions. You can contact the school and your teachers by calling 570-288-8493 or emailing any staff member directly. Listed below are school wide expectations, learning mode definitions, and the virtual bell schedule. As always thank you for your continued support.

### **General Guidelines:**

1. Online instruction will be delivered via Google Classroom and Google Meets.
2. Student attendance will be tracked.
3. Students will be assessed and grades recorded.
4. Grade reports will be formulated as during a typical school year. Please contact your student's teacher/guidance counselor if your student is struggling.

### **Learning Mode Definitions:**

Online Live: Students can hear and/or see their teachers for a live streaming lesson or a pre-recorded lesson from their teacher.
