## WSCTC Titan Responsibility Number 1

Parents, Families and Students are reminded to self screen students each morning before you leave for school. Post, review and discuss these questions each morning:

Q2) Indicate if you are experiencing any ONE of these symptoms at this time: a fever of 100.0 or higher; persistent cough; shortness of breath; difficulty in breathing or indicate if you are experiencing any TWO of these symptoms at this time: sore throat; runny nose/congestion; chills; new lack of smell or taste; muscle pain; nausea or vomiting; headache; diarrhea. Also indicate if you are taking a fever reducing medication. \*

Q3) Indicate if you have had "Close Contact" within the past 14 days with someone who is currently sick with suspected or confirmed COVID-19? (Note: Close contact is defined as within 6ft for more than 10 consecutive minutes, without PPE equipment.) \*

**If the answer is YES to any of these questions, STAY HOME.**  
**Use the online health screening tool to report. Use the WSCTC webpage to access the tool at [www.wsctc.net](http://www.wsctc.net)**

**Only students who answer NO to all questions should report to school.**

Upon arrival students will re-enter their answers each day using the online form.

**Your number 1 Titan responsibility is to review the health screening questions every morning at home and STAY HOME if the answer is YES to any of the questions.**
