QUEEN- Abby Dileo being crowned was such a surprise. I was so happy that I started to cry, I also was happy that my best friend raven Moore got first runner up.

KING- Michael Sims being king was such a surprise I didn't expect it because I ran against many great people who deserve it just as much as I did. I'd like to thank everyone and congrats to all who placed.

I never had so much fun in my entire life and it makes my heart warm to think of how much fun everybody had and how happy all my friends wore. I danced so much that legs ached for days and I couldn't stop smiling. Not to mention, the chicken tenders were freak in delicious
